About Kumaraguru SEDS

Kumaraguru SEDS is a dynamic student-run chapter of SEDS-India, part of the global initiative, Students for the Exploration and Development of Space. We empower young minds through rigorous space education and impactful projects, including sounding rockets, CubeSats, and asteroid searches. Our engaging workshops and school/college outreach programs complement our achievements in discovering asteroids and winning competitions, establishing our reputation nationally and internationally

INTRODUCTION

Welcome to Kosmorena 2026! We are excited to have you at our annual space festival! Each year is especially remarkable as it coincides with International Space Week. Over the next three days, get ready to experience a journey filled with curiosity, creativity, and innovation. With project expos, ideathons, inspiring talks, and creative challenges, Kosmorena 2026 will ignite your imagination and encourage you to dream beyond the stars.

All the essential details about the festival are right here.

So, what are you waiting for?
Let's reach for the stars together!

– Kosmorena Core Team 2026

KUMARAGURU SEDS

1) ALIEN SIGNAL

KUMARAGURU Institutions

KUMARAGURU SEES

DECODE. DISCOVER. RESPOND.

Description

Step into the world of extraterrestrial communication and uncover the mysteries hidden within an unknown signal. Alien Signal challenges young minds to observe, decode, think logically, and work creatively as they investigate a mysterious transmission from beyond Earth.

- Date: 28 October 2026
- Time: 9:00 AM - 4:00PM
- Venue: Kumaraguru College of Technology
- Category: School Students

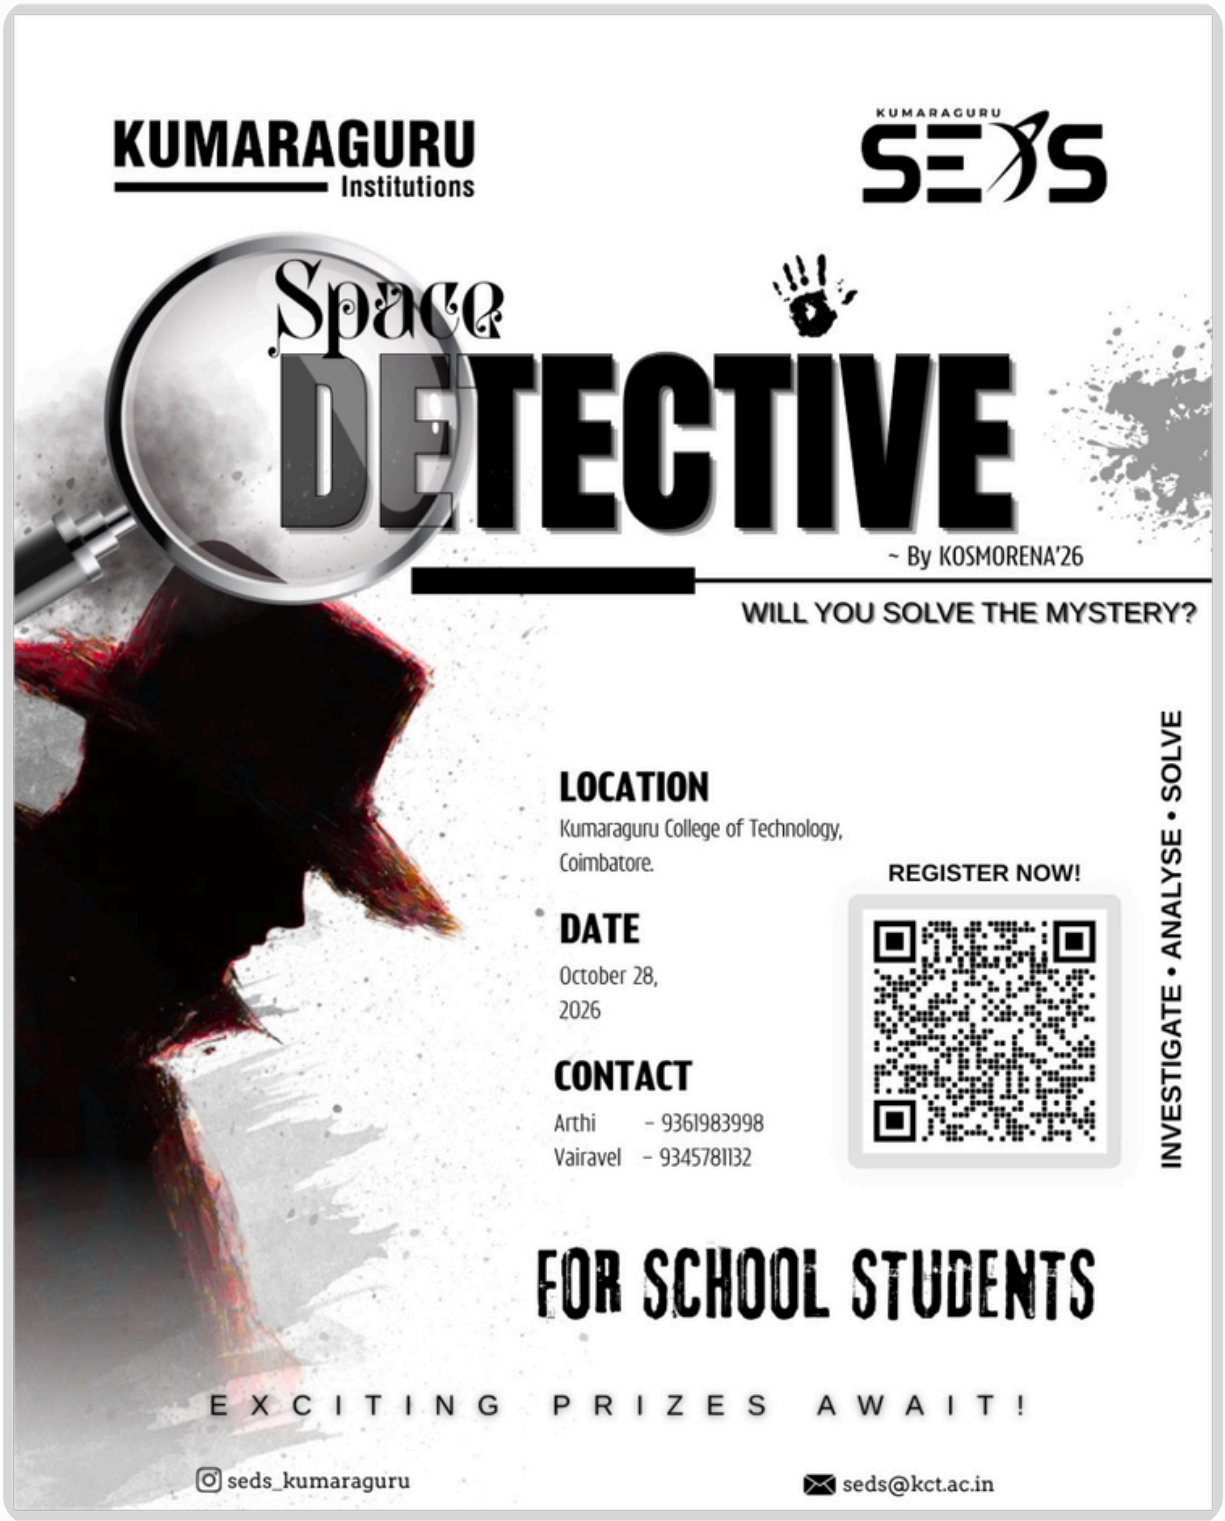
2) SPACE DETECTIVE



KUMARAGURU Institutions

KUMARAGURU SEES

OBSERVE. ANALYSE. SOLVE THE MYSTERY.

Description:

Put your observation and scientific thinking to the test! Space Detective takes participants on an exciting journey through clues, cosmic mysteries, and astronomical challenges. Think like a detective, connect the evidence, and uncover the secrets hidden in the universe.

- Date: 28 October 2026
- Time: 9:00 AM – 4:00 PM
- Venue: Kumaraguru College of Technology
- Category: School Students

KUMARAGURU SEDS

1) IDEATHON

KUMARAGURU Institutions

KUMARAGURU SEES

IMAGINE. INNOVATE. INSPIRE.

Description

Turn your ideas into impactful solutions! Ideathon is a platform for young innovators to identify real-world challenges, develop creative ideas, and present innovative solutions. Think beyond the ordinary, collaborate with your team, and transform your ideas into possibilities.

- Date: 28 October 2026
- Time: 9:00AM - 5:00PM
- Venue: Kumaraguru College of Technology
- Category: Institutional Students

2) WATER ROCKET COMPETITION

KUMARAGURU Institutions

KUMARAGURU SEES

BUILD. LAUNCH. REACH FOR THE SKIES.

Description:

Experience the thrill of rocket science with a creative twist! Water Rocket Challenge challenges participants to design, build, and launch water-powered rockets while applying concepts of aerodynamics, propulsion, stability, and engineering. Design smart, launch high, and put your rocket to the test!

- Date: 29 October 2026
- Time: [To be confirmed]
- Venue: Kumaraguru College of Technology
- Category: Institutional Students

3) ASTROCAD

KUMARAGURU Institutions

KUMARAGURU SEDS

DESIGN. MODEL. EXPLORE.

Description:

Bring your imagination into the world of space engineering! AstroCAD is a CAD modelling competition where participants transform their ideas into detailed digital designs inspired by space, astronomy, and engineering. Showcase your creativity, precision, and design skills as you model the future of space technology.

- Date: 29 October 2026
- Time: 09:00AM - 1:00PM
- Venue: Kumaraguru College of Technology
- Category: Institutional Students

4) CUBESAT WORKSHOP

KUMARAGURU Institutions

KUMARAGURU SEDS

LEARN. BUILD. ORBIT.

Description:

Discover the fascinating world of small satellites and space technology! CubeSat Workshop introduces participants to the fundamentals of CubeSat design, subsystems, mission planning, and satellite technology through an engaging hands-on learning experience. Explore how compact spacecraft are designed to accomplish missions beyond Earth.

- Date: 29 October 2026
- Time: 9:00AM - 4:30PM
- Venue: Kumaraguru College of Technology
- Category: Institutional Students

KUMARAGURU SEDS

1) MOBILE PLANETARIUM

KUMARAGURU Institutions

KUMARAGURU SEDS

EXPLORE. DISCOVER. EXPERIENCE THE UNIVERSE.

Description:

An immersive astronomy learning experience that introduces students to the wonders of space through projection-based presentations covering the Solar System, stars, constellations, galaxies, and space exploration.

- Participants: School and College Students
- Venue: Kumaraguru College of Technology
- Category: Astronomy Experience
- Programme: Interactive Astronomy Presentation
